

Because of many years of „in field“ experience in the area of Flatanger we manage to find the best fishing spots on nearly every trip. Our guests will benefit of this experience by joining a guided fishing tour. We will bring you to the fishing spots in a save, comfortable and stressless way.

And, of course, we will support you with good advice when it comes to choosing the right bait/lure and target fishing.

The guiding will give you the chance getting the fish of you dreams - also without much knowledge about the area. All guiding tours are planned individually and arranged for small groups of not more than 4 pax per boat.

from about 60 Euro/pax*
guaranteed catch
target fishing
small groups
bait service
rental gear

* Example: guiding half day / 4 pax incl. about 20 liters fuel consumption.

the targeted way to your fish!
